I have to admit, my emotions have been all over the place lately. Of course, it could be the lack of sleep from constantly hitting refresh here!

I've learned dooming is pointless, because so what if you get your hopes up and get disappointed? Will be lucky to be living in any comfort at all if this fails, so the least of the worries would be having had your hopes up.

I've never doubted our President didn't plan for this and has multiple trump cards up his sleeves.

I'll admit it does come across that way, but there is no effective way to poll people. I knew I wasn't the only one bobbing up and down like a bottle in the ocean. It helps to know many of us are riding the same roller coaster.

It's not really a poll if there's only one option to interact with it.

Abstaining is the other option, I suppose

Really, most everything hinges on Pence at this point. If the legislatures decide to be brave before Wednesday, he won't have to.

Constitutionally, it goes to the House. Congress really doesn't have a say. SCOTUS doesn't have standing.

This. I don't see what Trump's going to do besides whine, whine, whine. Then the vote will be taken on the 6th, Biden will be inaugurated on the 21st, and all the LARPer's will do nothing because they're all talk to walk.
